

## Information for Connecticut Prescribers of Prescription Drugs

### Rezdiffra® (resmetirom)

The prices listed below are wholesale acquisition cost (“WAC”) prices established and made available to the public by a third-party publisher. The price paid by consumers may be higher or lower than the prices listed below. Information about the WAC prices of these products is being provided to Connecticut prescribers pursuant to Connecticut law, to give prescribers information about the WAC price of marketed drugs as well as generic drugs in the same therapeutic class.

<b>Marketed product:</b>	<b>WAC package<sup>1</sup>:</b>	<b>Package size:</b>
Rezdiffra 60 mg	\$4,239.38	30
Rezdiffra 80 mg	\$4,239.38	30

This information is being provided pursuant to Connecticut Public Act 23-171. The information is accurate as of 07/01/2026. The prices listed are WAC prices, which represent Madrigal Pharmaceuticals, Inc.’s published list prices for the products sold to wholesalers, before any discount, rebate, or other price reduction. The WAC prices listed may differ significantly from actual prices paid by consumers. In addition, a product’s WAC price is typically not associated with per-dose pricing, and does not necessarily reflect price per dosage, price per course of treatment, or the cost-effectiveness of the products listed.

Pricing information listed does not imply safety or efficacy of the product, and no comparisons should be made.

\*This list does not imply that the products are interchangeable or have the same efficacy or safety. Please refer to each product’s FDA-approved label and indication for further information.
